

## Call for proposals 2024-2026

The Galerie d'art du Parc team invites professional artists to submit a proposal for the 2024-2026 program.

A non-profit organization founded in 1972, the Galerie d'art du Parc (GAP) was one of the first exhibition centers recognized and supported by the Ministère des Affaires culturelles du Québec in 1974. In 1981, it moved into the Tonnancour's Mansion in Trois-Rivières, historical monument of the city, built in 1723-1725. From 1972 to 2016, the GAP presented 350 exhibitions, showcased the works of more than 2,500 artists from here and abroad, and organized various activities related to exhibitions.
